

CORE GROUP

POLEMOS

Research Associate, Polemos

BEIRUT · FULL-TIME

THE WORK

Polemos is Core Group's long-form track on conflict and the ideas that drive it. The work is historical and philosophical: how wars start, how they end, and how the region's orders are made and unmade. This role develops Polemos projects on conflict resolution, read through the history of the Levant and the long aftermath of the Ottoman collapse.

THE PROFILE

A graduate degree in philosophy. A reader of conflict as a problem of ideas, not only of force. Working knowledge of modern Levant history and the post-Ottoman space. Clear writing, careful argument, and the discipline to hold a claim to the evidence it demands. Arabic is an advantage.
